INTRODUCING A NEW WAY TO RIDE

PRICED TO EXCITE

An unreal ride at an unreal price. It's easy to get your Can-Am Ryker on the open road and ride your way. Visit CanAmOnRoad.co.uk for price details.

RIDE EASY

Automatic, intuitive twist-and-go transmission and no gear shifting mean it's a breeze to unleash your Can-Am Ryker, whether you're a new rider or a motorhead. Add in peace-of-mind tech like a Vehicle Stability System (VSS) and you're always ready to ride with confidence.

DESIGNED FOR FUN

Now that you can ride easy, you can let loose on the road with a dynamic riding experience. An optimized centre of gravity with a lower seating position ensures you can smirk through tight turns and own every curve.

MADE TO MAKE YOURS

Easy-to-add accessories like colour panels and hood accents transform your ride's visual style, while functional accessories switch up your ride with purpose. Add in tool-free adjustable foot pegs and handlebar and your Can-Am Ryker can adjust to anyone of any shape or size, and from one rider to two.

RIDEABLE WITH A CAR LICENCE

Can-Am Ryker is engineered to be easy to learn; just like riding a bicycle, only infinitely faster, more exciting, and memorable. Generally, a car licence is sufficient to ride a Ryker.

Drivers in the UK and Ireland need to be at least 21 years of age, valid on UK & Ireland territory. For all other countries, please check your local authorities to confirm which licence you need to obtain to ride a Can-Am Ryker.
